SPOTLIGHT GALLERY

**WILLIAM J. CAPARNE (1855-1940)**

**8 Jan-8 Feb**

The works on display are from a Private Collection of a long-time local collector of Caparne's art. Caparne was a Newark born artist who moved to Guernsey. He worked mainly in watercolour and pastels inspired by flowers and local landscapes.

**NOURISHING THE CREATIVE FIRES**

**12 Feb-14 Mar.**

Jules Wheat and Tina Bettison will show a range of their intuitive painting and photographic work; images and creations that have come through nourishing their own creative fires and exploring their creative voices.

**SCIRYUDA**

**18 Mar-18 April**

International photographer Terence Lane is fascinated by the trees in Sherwood Forest. Sciryuda means the wood belonging to the shire. The black and white photography is inspiring and the display (shown last year in Southwell Minister) should not be missed.

**NEWARK- A DIFFERENT PERSPECTIVE** **22 April-16 May**

This exhibition shows Newark in a different light using creative photography to turn everyday sights into compositions that will 'wow' you. Some familiar scenes are of the town, Stapleford Woods and Rufford Park. Come along and enjoy!

**BLUE SKIES AND SUNSHINE**

**20 May-27 June**

Holidays round the Mediterranean have inspired Helena Cripps to produce this lovely display, mainly in acrylics. Her work is for sale
